

## **This is just a demo file**

There are several metadata descriptions in Fred, which describe, among other things, the origin of the data, the survey methods and the study area.

You can find some of these descriptions in the data packages:

- <https://fred.igb-berlin.de/data/package/1>
- <https://fred.igb-berlin.de/data/package/15>
- <https://fred.igb-berlin.de/data/package/17>
- <https://fred.igb-berlin.de/data/package/22>
- <https://fred.igb-berlin.de/data/package/177>
